The 25th International Internet of Things Exhibition — Shenzhen

25 – 28 AUGUST 2026

SHENZHEN WORLD EXHIBITION & CONVENTION CENTER, BAO'AN DISTRICT

About IOTE 2026

1000+

Exhibitors

Core technology providers across the full IoT industrial chain

100K+

Professional Visitors

Integrators from industry, logistics, infrastructure, smart city & retail

25th

Edition

Witnessing the birth and development of China's IoT industry

IOTE gathers core technologies — from innovation and hardware procurement to system integration — covering the whole IoT industrial chain, fostering ecological integration, industrial cooperation, and real-world application.

Exhibitor Profile

Discover the diverse range of innovators and technology leaders showcasing solutions across the entire IoT ecosystem.

IoT Perception Layer

Leading providers of smart sensors, RFID, RTLS, biometrics, and other data acquisition technologies.

Network & Communication

Exhibiting 5G, Wi-Fi 6, Bluetooth, LoRa, NB-IoT, and other advanced communication modules and gateways.

Platform & Data

Innovators in cloud platforms, big data analytics, AI algorithms, and edge computing solutions.

Application Solutions

Showcasing integrated IoT applications for smart cities, industrial automation, retail, and consumer electronics.

Artificial Intelligence (AI)

System Integration and Software Solutions
