INTERPACK – DUSSELDORF – MAY 2026

ABOUT THE FAIR: "INTERNATIONAL TRADE FAIR FOR PROCESSING & PACKAGING"

Interpack is the world's leading trade fair for the packaging and processing industries. The 2026 edition returns to Messe Düsseldorf from **7–13 May 2026**, bringing together packaging materials, packaging machines, process technology, and related services across food, beverages, pharma, cosmetics and industrial goods. The organizer expects ~2,800 exhibitors from around the world.

WELCOME HOME IN DÜSSELDORF

The most important international event for the packaging industry and related process industries

And at no other trade fair does the packaging industry with all its so many different materials provide all industrial sectors with tailor-made solutions and innovative concepts.

For processing and packaging. For distribution, consumer protection and protection against product piracy. Protection against contamination, spoilage or damage and for good handling.

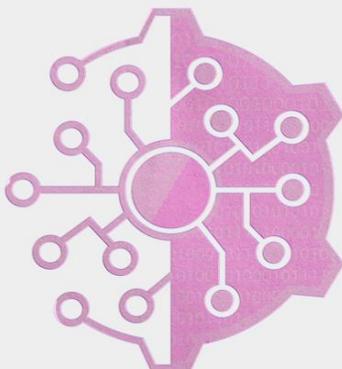

The main sectors at Interpack:

The interpack 2026 shows entire value creation chains: From the production and refinement of packaging products and packaging materials - over packaging and distribution - right up to quality assurance and consumer protection.

METPACK – ESSEN MAY - 2026**THE WORLD'S LEADING TRADE FAIR FOR METAL PACKAGING**

Every three years Messe Essen with METPACK becomes the most important global meeting place for the international metal packaging industry. Numerous global players present sustainable and cost-efficient solutions for the production, refinement, painting and recycling of metal packaging at the world's leading trade fair. Metpack is the nucleus for innovation and a communication platform at the same time. The METPACK Innovation Award is also presented at every trade fair. Most recently, it went to the manufacturer of a high-performance UV LED system for curing printing inks, lacquers and adhesives on metal packaging. The absence of mercury means that there is no ozone and no undesirable radiation. As the undisputed No. 1 in the industry, METPACK impressively demonstrates the level of innovation and knowledge of today and tomorrow.
